Forum for Executive Women (FEW) | Spring Program

Accepting Applications Until May 20

One of Athena's hallmark member programs is its **Forum for Executive Women (FEW)**. This invaluable career resource allows members to access a dedicated support group of peers designed to collectively accelerate your leadership journey. This customized peer group experience serves as your personal board of directors.

Athena's FEW groups consist of 8-10 STEM women that meet monthly. Athena curates these FEW group assignments from its member portfolio to accommodate preferred geographies and meeting times while avoiding any professional conflicts. Member engagement and commitment to these FEW groups have long been the driving force that make these FEW groups endure.

Any Athena member is eligible upon completion of the application and confirming participation in the mandatory FEW orientation. Given evolving circumstances related to COVID-19, Athena will determine downstream whether to host this orientation virtually or postpone. If you are not placed in a FEW group at this time, your placement will be prioritized in the Fall orientation.

Athena Launches Campaign to Support Women-Owned and Women-Led Businesses

Engaging our Athena community by showcasing women-owned businesses is the spirit behind Athena's newly launched **#ShareYourSheEO** campaign. We encourage you to support any woman-owned business that deserves our

collective attention and support as we band together and focus our energies on SheEOs that make us proud. Visit Twitter and Instagram and "tag" or "share" a link to your favorite woman-owned or woman-led business in any sector. Simply use the hashtag **#ShareYourSheEO**, and tag "3" friends and Athena will promptly "share" across our digital community. Do your best to digitally engage with these SheEO-led companies as we unite in support of women leaders making an impact.

Did you earn a promotion? Did your startup company receive a funding round? Did you land a new job or appointment to a board? Did your CEO sign the UN Global Compact? Did you write a book or start a company? Are you serving on an industry panel or honored with an award? [CLICK HERE](#) to drop us an email so we can share your success on social media. We want to celebrate you and share in your leadership journey.
